2—CACHAR DISTRICT

Parliamentary Constituencies

The proposed Parliamentary Constituency (1 Cachar) by the Delimitation Commission consists of the entire Mizo Hills (4741 sq. miles) and the entire Silchar Subdivision minus Katigorah Thana (approximately 1,200 sq. miles) totalling thus approximately 5941 sq. miles. The length of this Constituency from the boundary of Silchar Subdivision on the north to the southern tip of Mizo Hills will approximately be more than 500 miles or more with exteremely difficult terrain and communication. Experience had shown that it was almost impossible for candidates and parties to reach the voters in all parts of this Constituency. On the contrary, the length of the proposed Karimganj (SC) Parliamentary Constituency will be about 100 to 125 miles. It is, therefore, necessary to divide the difficulties between the two proposed Parliamentary Constituencies, namely, (1) Cachar, and (2) Karimganj (SC) as much as possible. All the Assembly Constituencies in the north and the north-eastern side of Cachar District if tagged with Karimganj Subdivision which is not having much hill areas some amount of the difficulties of No. 1 Cachar Parliamentary Constituency may be reduced. It is, therefore, suggested that the Constituencies of Katigorah, Borkhola and Udharbond instead of only Katigorah may be tagged with the proposed Karimganj (SC) Parliamentary Constituency and that the Hailakandi and Katlicherra Constituencies should be given up for the other constituency, *i.e.*, Cachar (1). With this idea the revised proposals confining more or less the (1) Cachar Parliamentary Constituency to the southern side of river Barak and including the major part of Hailakandi Subdivision has been suggested as a dissenting proposal. This will minimise the length of the Cachar (1) Constituency by nearly 100 miles and may increase the breadth by a few miles. The added advantage of this proposal is that apart from availing of the road communication between Silchar and Aijal in Mizo Hills one will also be able to approach a large part of Mizo Hills particularly the Dholeswari Valley which can't be approached from Silchar-Aijal Road, by the other means of communication, namely, by boat through the river Dholeswari (Katakhal) apart from availing of the road communications from Hailakandi side to the Mizo Hills areas.

I would only suggest one change in regard to Jamunamukh and Hojai Constituencies. Instead of 18 villages from Nomati mauza, it would be more convenient in terms of nearness and communication if 26 villages from Jogijan Mauza are transferred to the adjoining Jamunamukh Constituency. Nomati mauza is a compact area and it will be a good thing if you can avoid breaking it up. I am enclosing herewith the aforesaid suggestions.

Suggestions regarding changes in the proposal of delimitation in respect of (92) Jamunamukh and (93) Hojai Constituencies in Nowgong district. The change suggested is for maintenance of homogeneity and social affinity of the people.

I would like to draw your attention to our above referred recommendation* wherein myself and Sri Nihar Ranjan Laskar, M. P. and also a member of Delimitation Commission urged upon you to retain 'RATABARI' constituency under Karimganj Sub-division of Cachar district as Reserved (SC) as suggested in the original draft proposal of the Commission but in spite of that, from the recent rough proposal it appears that 'South Karimganj' has been suggested as 'Reserved' Constituency ignoring our recommendation.

*Not Printed.

I disagree to the later rough proposal of making 'South Karimganj' as 'RESERVED' (S.C.) for the simple reason that (1) in Ratabari Thana there is highest concentration of Scheduled Caste people who are much more distressed than that of other areas because most of them are refugees and hence not yet been able to establish. (2) 'Nabingram' Gaon Sabha of Ratabari Thana which has been proposed to be tagged with South Karimganj to show that South Karimganj has the highest Scheduled Caste population is located beyond the Singla river thereby loosing the contiguity and affinity with South Karimganj. (3) Almost all areas under Fakua Gaon Sabha towards river side are low lying and remain over flooded during summer season. (4) Further there is no means of communication from Nabingram Gaon Sabha to either Fakua Gaon Sabha or South Karimganj Constituency. Hence considerate thinking as expressed in original draft proposal, in so far as it correctly fulfils the theories of delimitation stands correct. Having considered my special responsibility of looking to the interest of Scheduled Caste people of the State also from the point of view of looking to the theories of delimitation of constituencies I can not but suggest to retain 'RATABARI' as 'RESERVED' (S.C.) Constituency thereby serving the best interest of Scheduled Caste people of 'RATABARI' as well as fulfilling the theories of affinity, contiguity, etc. of delimitation of constituency etc.

I would like to suggest another alteration in regard to the Assembly Constituency of Karimganj North (Town). The Kanishail G.S., which was previously added with Karimganj North should go with Karimganj South Assembly Constituency, *i.e.* the Karimganj North should comprise of the Town, North Karimganj A.P. including the tea gardens, Bazarghat G.S., Chandpur G.S. and Nagkapan G.S. of South Karimganj A.P. only.

SHILLONG :

VI

There will be another (SC) Reserved Assembly Constituency in Silchar Subdivision of Cachar District, and that deserves within the area of Sonai thana because of the fact that there is highest concentration of scheduled caste people within the area of Sonai thana, and there is also demand of the scheduled caste people for long time that a Reserved (S.C.) Constituency should be formed within the Sonai thana area. *In the original* draft proposal of the Commission a Reserved (SC) Constituency *was suggested in the existing Sonai thana and this was rightly done.*

In view of the principles of delimitation of constituency and also for my responsibility as a member for the interest of scheduled caste people of Assam I suggest for your reconsideration that a Reserved (SC) Constituency should be formed within Sonai thana of Silchar subdivision, Cachar District, Assam.

The following are some of the revised proposals in respect of the districts of Kamrup and Cachar, which I would commend for favour of reconsideration of the Commission and incorporate in the final proposals for publication : —

1. *Kamrup.*—Revised proposals for Constituencies No. 51, 52, 53, 54, 55, 56, 57, 58, 59, 60 and 62—intended to (i) convert Constituency No. 53 into a Scheduled caste reserved constituency with 11·26 p.c. of Scheduled Caste population as against 10·03 of Constituency No. 61-Hajo. This will allot one reserved seat to Barpeta Subdivision with 8 Assembly seats and have 2 tribal reserved seats for Gauhati Subdivision with 13 Assembly seats, (ii) Changes in the remaining constituencies are consequential or calculated to make them more compact and convenient for communication and other points of view.

2. *Cachar.*—The Scheduled Caste seat in Karimganj sub-division may be retained at Ratabari Constituency No. 4 as originally proposed.

47. *Sorbhog*
48. *Gobardhana* } As proposed by the Delimitation Committee (second
49. *Pattacharkuchi* } proposal)

Scheduled Caste population in the Barpeta Thana is more than Hajo Thana rather it is highest in the district of Kamrup. So the reserve seat for Scheduled Caste should be in the Barpeta Thana.
